

Jessie Robson, 15 hits her first Dodge Rodeo in Milton, Ontario this past weekend to finish 2nd in Ladies Barrels, 2nd in Junior Barrels and 2nd in the Ladies Breakaway. Jessie rode her dependable in BNE Chicaro Sis aka "Sammie" in both barrel races to finish 2nd, Jessie says the ground was bad and this is an advantage to her reliable mare, "the best thing about Sammie is it does not matter what the arena or the ground is like, I can send my mare as fast as I can at the first barrel and she will hook it every time!" It is a great feeling to have that reliability.
